§3

This contract includes a **live foal guarantee**, with the right of re-breeding in 2018. This re-breeding is only valid when...

- It involves the mare as written in point §1
- When the mare becomes not pregnant in 2017, a free breeding will be provide in 2018. After 2018, this breeding contract will no longer be valid.
- Life foal guarantee is only valid when the foal dies at birth (vet-certificate is obligated), with the birth of a dead foal or when the mare loses the foal before birth.

When the foal dies after 48 hours, this life foal guarantee is no longer valid.

§4

This contract includes a **filly foal guarantee**, with, in case of a colt, the right of re-breeding in 2018 for a special fee of 750 euro's. This re-breeding is only valid when:

- It involves the mare as written in point §1
- When the mare becomes a colt in 2018, a breeding at a special price of 750 euro's will be provide in 2018. After 2019, this breeding contract will no longer be valid.

§5

The stallion ASE Marajó is registered with the Belgian studbook (BAPS) We cannot guarantee that ASE Marajó will still be standing at stud in the next season or that his semen is then still available. The breedingseason starts on February 15th 2017 untill the 1st of Juli 2017. Frozen semen will be provided afterwards.

§6

This contract is for above mentioned mare & mareholder only and cannot be sold or given away to other parties without permission of the stallionholder. This contract is signed under the law of The Netherlands.
